Re: Vacancy on Reclamation District No. 150 Board of Trustees

Dear Members of the Board:

I write this letter on behalf of Reclamation District No. 150 (RD150) to notify the County elections official that there is a vacancy on the District's Board of Trustees. The vacancy was left by interim trustee Roger Berry who replaced trustee Matt Hemly following his tragic and unexpected death. The effective date of Roger Berry's vacancy is August 15, 2024.

The Board of Trustees plans to post notice of the vacancy within RD150 and then fill the vacancy by appointment for the remainder of the term (Dec 2025), pursuant to Government Code section 1780. I will notify your office of the appointment after it has been made.

Very truly yours,

Ana Ogilvie
District Coordinator/Secretary
